Firearms will be available for club member use by contacting the ARGC Armorer, Larry Hanson

The last of our auction items were sold at the June membership meeting

The M-1 Garand went to Dave Sulecki with his winning bid of \$900.00

The Winchester 22 Target Rifle went to Joe Peterson with his winning bid of \$280.00

Outdoor Education Weekend

OEW is around the corner. All ranges will be closed for the event. Applications will be available at the May membership meeting. See Skip Craine for an application and information.

Club House Heating System

The board decided to try to minimize our electricity cost. One way is heating our club house. Because the system is electric, the board decided to change it to a propane style heating system and received 3 bids. Those bids were brought before the membership. The membership voted to have Zeigler Heating install the propane boiler, which will heat the water that heats our club house.

Every Friday, starting at 9:30 am Gib Ingwer will be on club grounds for those who would like to get their worktime in early.

You can contact Gib at 440-862-0424 for more information
