### **Sub Zero Mission**

Dawn Johnston advised membership that she has been involved with and supporting the Sub-Zero Mission charity. The Sub-Zero Mission focuses on veterans because about 18% of the adult homeless population are veterans according to the Disabled Veterans National Foundation.

The Sub-Zero Mission believes that nobody should freeze to death in America so they are helping homeless stay warm during winter months.

The volunteers of this organization deliver sleeping bags, tents, jackets, gloves and other warming items to homeless in northeast Ohio and other regions from November into March. The mission was started mostly by veterans, so there is a significant concentration of finding veterans to get them connected to services they have available but might not be aware of. Please contact Dawn Johnston if you can donate any new or gently used outerwear clothing, coats, hats, and/or sleeping bags.
