OUTDOOR WEEKEND

The Outdoor Weekend will be held in July from Friday July 12th through Sunday July 14th.

“ALL RANGES WILL BE CLOSED”

Outdoor Weekend is an activity for boys and girls ages 11 to 16. This event is a hands on weekend learning experience. Participants learn how to shoot black powder muzzleloaders, .22 rifle, trap, skeet, and archery. For children safety, shooting events are one on one with an instructor. Ear plugs and safety glasses are furnished. Hunters education topics will include hunter safety, bow hunting, survival, trap & field care, turkey hunting, and much more fun.

Tents are set up for sleeping and food is furnished. This event begins Friday evening at 6:00PM and ends Sunday afternoon. Sunday's activities will conclude with a test, that if passed, will allow participants to get their hunting license.

If your child has previously attended a hunter safety class (recommended) he or she can still attend this event. Participants need to bring a sleeping bag, flashlight, and their personal items.

This event is open to the public, however **attendance is by advance registration only**. Application forms, medical report (if taking medicine), and parental consent forms are to be completed and returned to Skip Craine by July 5, 2013. For more information, contact Skip Crain or Paul Callender. This is also a great opportunity to get your work time in; contact Skip if interested.

The cost of ammunition used for the shooting events has skyrocketed. **Donations of ammunition, .22cal and 20ga, (No re-loads please!), kids door prize items, or monies are welcome.**

DESTRUCTION OF CLUB PROPERTY

Someone shot holes nearly through our .5” thick steel reset targets on the pistol range. Due to this destruction, the 2 reset targets will not be placed back in use until Range Rules and Regulations can be posted. Any member found to be destroying club property will be immediately expelled. AR-15 .556 or .223 type rifle is not allowed on the pistol range.

SOMEONE WITH LOG SPLITTER

Someone with a log splitter is needed to split, load, and stack wood for Skeet & Trap. Great opportunity to get your work time in. Contact Rich Moreti for more info.
