### **Letter from the Vice President**

To: All ARGC Members

#### **Subject: Major Improvements and accomplishments for 2017**

The Officers and Trustees have worked hard and will continue to work hard to make our club the best. Please see the quick summary of some of the major changes for 2017.

#1 - Rifle Range Improvements. We have recently added electricity/lighting to the rifle range.

#2 - Clubhouse Heating. We changed our heating at the clubhouse from electric to propane. The estimated savings per year is \$2,000.00.

#3 - Trap and Skeet Field. We replaced the concrete and added gravel on the fields.

#4 - Land Assessment Restructuring. To ensure all members pay their fair share in land assessments just as current members have. This should also generate approximately \$7,000 per year to go to the land fund or if emergencies happen.

#5 - Junior Membership. We created a junior membership program to provide our younger members (18-20) an opportunity to join the club and waiving land assessment fees until they are 21 years old.

Thank you for your continued support. If you have any ideas or suggestions, feel free to let us know or put suggestions in the box provided at the club house.

John Hadzinski  
Vice President  
Ashtabula Rod and Gun Club

### **Vintage Rifle**

The next date for the Vintage Rifle shoots will be September 9th. Show up at 9:30 and shooting begins at 10:00am.

\*\*Note that the October shoot has been cancelled.

### **Rifle Range**

As you may have noticed there is a berm being built on the left side of the range. This is concrete and is not yet complete. Please do not shoot into the berm.

### **3-Gun**

Next 3-Gun shoot is September 10th. Registration begins at 8am and shooting starts at 9am. There will be three stages for this event. Two on the rifle range and one on the pistol range. Help is needed on Saturday the 12th at 5:30 pm to help in setup **and** at the event for everything from time keeping, scoring, setting up targets, and much more. Venture will be there cooking lunch as usual.

### **Small Bore**

Next shoot is September 24th. Shooting starts at 9am.

### **Black Powder**

Shoots every 3rd Sunday. 9 am arrival and 10 am shoot. There is always great food to eat after the shoot.

### **Venture Crew**

Venture crew typically meets the 1st and 3rd Sunday of the month. We will be having our annual membership drive campout Oct 13 and 14th.

### Clubhouse

The clubhouse has been reserved for the following dates:

Oct 21st

If you would like to reserve any club property contact Kyle Raleigh

### CCW Class

There will be a CCW class on October 21st at the clubhouse. The cost is \$100 for individual or \$150 for couples. The pistol range will be closed from 12 - 5 on this date. Call Rick in advance to reserve you spot. 440-466-1838

### Indoor Archery

Indoor weekly archery practice will start Tuesday September 26th from 6-8 pm. Dates for fall league will be announced at a later date.

### Trap

12 people showed up to help put away the bird delivery and with the help of a tow motor things went pretty smooth. Fall trap league starts Saturday September 9th at Geneva. It is from 9am to 3pm. During that time there will be no trap at the club because everybody will be at the league shoot.

### **Skeet and Trap Concrete Project**

The work on the trap and skeet fields are complete. If you have not had a chance to see it please check it out. They look great and it was a major improvement to our club.

### Youth 3 Gun

Has been moved to Oct 7th

### Traders Day 2017

Traders Day was a huge success. The total profit to the club was **\$784.66** which was turned into the treasurer and earmarked for the rifle range deck repairs.

Cindy Ingwer wanted to say thanks to the following people for their support:

Kyle Raleigh - Ran the Kitchen

Paul Soltis, Gary VanNorman, Rex Burlingham and anyone else who helped get the grounds looking great for our visitors.

Skip Crane and outdoor weekend kitchen who donated all the buns.

Russ Nelson parked cars, directed traffic, cleaning up and sweeping the floors.

Warren Payne helped set up, tear down, clean up and put away tables and chairs.

Dave Klender sold gun raffle tickets inside the clubhouse.

Jimmie Dixon parked cars.

Gib and Kadin Ingwer put up and took down seven signs in high traffic areas.

Mike Betts and Stephanie Stewart ran three 50/50 raffles. All three winners were vendors and two were club members. We also had a club member win one of the pistols.

Also thanks to anyone who put up fliers, made copies and handed them out or anyone else who helped make Traders day successful and I forgot to mention.

If you have any suggestions for next year please let us know.

Cindy Ingwer
